

Top Tier Private Client Relationships for High Net Worth Clients

I would like to introduce you to Private Client Services, a Marketer of private banking products to high net worth clients. For the top tier private banking client we offer products to manage and service the elite and ultra high net worth client. The niche services are designed specifically for clients with a net worth of 10 million dollars and up. At this level of high net worth client the traditional banking and brokerage services are limited and don't offer the level of products and services to help a high level client operate their business.

If you believe you are a candidate for this product and would like the opportunity to discuss your situation or scenario please contact us to arrange a consultation to determine your financing options. Also, take a moment to see if any of these features would be of interest to you and/or please feel free to contact me directly any time.

The key features offered for our top tier private banking relationships include:

- A direct private banking relationship
- Asset and managed money accounts
- Asset and securities based financing
- Revolving personal and business credit lines
- All products offered to clients in all 50 states
- Mortgage products up to and over \$10,000,000
- Unsecured loans against a borrower's balance sheet
- Loans for borrower that show little to no personal income
- Factoring and inventory loans for self-employed borrowers
- Ability to annuitizing assets and dissipate cash reserves to qualify as income
- Loans for high end homes that have suffered a reduction in value or high LTV
- Revolving private banking relationship for personal or business lines of credit

Certainly these are not conventional products.
