

If you need funding for your business in less than 24 hours, we can provide Funding for you! Our plans do not have fixed payments- which makes repaying the loan a breeze! Payment plans are based on a small percentage of your businesses total sales for the month- this allows you to focus on your business and customers without having to worry about making payments you may not be able to afford!!

Loan Requirements:

- A credit score of 500 or higher
- Your business must be open for at least three months
- Business must generate at least \$8,000 a month gross income
- Stable cash flows with minimum four deposits to the bank account
- You must be able to provide three months worth of business bank statements
- We fund a range from \$2,000-\$2,000,000
- Zero Fees!! We do not, and will not ever charge for this program.
- Direct deposit into your bank account
- We can approve you in 1-4 hours and have the money ready in 1-2 days
