

## **Pavilions of Splendour International Inc – Executive Business Summary**

Dear Sir,

We are currently seeking accredited investors for our company, Pavilions of Splendour International Inc, which is a start-up trade product established incorporated first cycle early stage business devoted to the sale of ultra-luxury estate's across the globe.

Based on your interest in the real estate industry, I believe that our professional produced fully completed Private Placement Memorandum (PPM) SEC Regulation D506 business offering together with the corporate business plan, information and investor memorandum may be of extreme interest to you, and I would be pleased in supplying a private & confidential copy for your perusal and in-depth evaluation following this submission to you.

The company will be an industry leader in the global luxury real estate arena. Our mission is to grow into a world class-renowned organization. We are a results oriented organization of a recognized international caliber of expert property professional specialist practitioners, globally motivated and here to earn clients business. We have targeted high net worth individuals, investors and important companies for our ultra-luxury estates and global services because of their search for high standards on luxury products. Our competitive advantage stems from managing a wide range of special and different scope of real estate categories, as we are purveyors of unique and distinct luxury properties from around the world and we also offer a very personal and special class premium service especially commissioned "tailored" and particularly "styled" to suit each and every single individual client criteria and exacting fitting requirements (however demanding) as business is cordially engaged. We also have a strong international management team and Board of Directors, which include Malcolm Williams, CEO – GLOBAL Sales Executive Director; Diana Williams, Administration & Marketing Executive Director; and Stephane Seclect, China - France Sales Manager.

We are seeking \$6,000,000m in EQUITY funding ONLY in return for a significant holding in the company. The funds will be used to build strong sales and GLOBAL based marketing capabilities.
